## About Ludwig Bestehorn

Since 2003 I'm working as sound mixer and designer. During that time I participated in various features, complete tv series, and documentaries. Now I'm working as a freelance sound mixer and designer for various production companies in Berlin and worldwide. I have my own gear for recording/mixing up to 92 Tracks and a mobile and stationary sound design suite running Steinberg Nuendo 7 and Avid Protools 12 with various Plugins for Mixing, Mastering and Audio Restauration.
